

Guarding Vision Phone/Tablet App

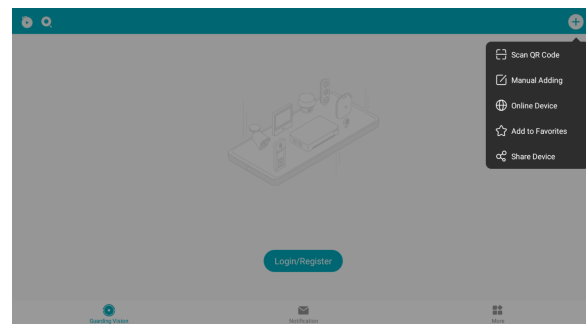

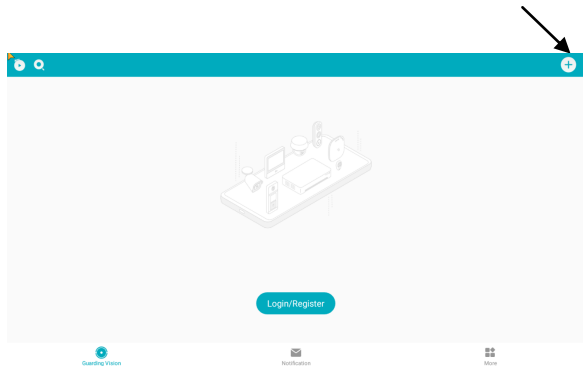

1. Find your Devices App Store.

2. Download Guarding Vision and Open the App.

3. Click the Add button in the top Right Corner, then press Manual Adding.

4. Adjust Register Mode to IP/Domain, Pick a Alias to identify the system, Change the address to yoursite.innolink.biz *Please ask for your innolink address from Austin Security*, The standard port is 5050, input the username and password supplied to you by Austin Security.

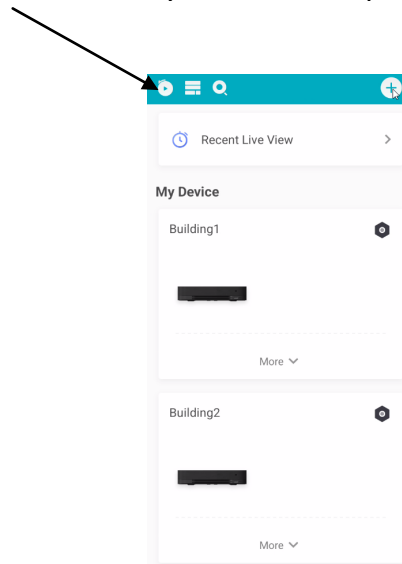

Add Device	
Adding Type	IP/Domain
Alias	Location Name
Address	something.innolink.biz
Port	5050
User Name	Username
Device Password
Camera No.	1

5. Once your sites information has been added Click Save *Disk icon top right*

6. Camera No. Should have updated to the correct number of camera's for your location.
Next Click Start Live View.

The screenshot shows a 'Device Information' form with the following fields: Adding Type (IP/Domain), Alias (Location Name), Address (something.innolink.biz), Port (5050), User Name (Username), Device Password (*****), and Camera No. (1). Below the form is a grey bar with a 'Start Live View' button and a three-dot menu icon. An arrow points from the 'Camera No.' field to the 'Start Live View' button.

7. In the top menu you can select Playback to view previous recorded footage on the DVR.

8. Select your Date and Time, Select a location then camera and Click Start Playback.

The screenshot shows the 'Select Item(s)' form. It has fields for 'Playback Date' (2022-07-26) and 'Playback Time' (00:00). Below these are several camera options, each with a radio button and a dropdown menu: Building1, Building2, Building3, Building4, Building6 (Offline), and office. At the bottom is a 'Start Playback' button.

The screenshot shows the 'Selected(1)' form. It has fields for 'Playback Date' (2022-07-26) and 'Playback Time' (00:00). Below these are several camera options, each with a radio button and a dropdown menu: Building6 (Offline), office, D1 FRONT ENTRY, D2 RECEPTION, D3 OFFICE, D4 BOARDROOM, and D5 KITCHEN. At the bottom is a 'Start Playback' button. An arrow points from the 'Start Playback' button in the previous screenshot to this one.

9. The time bar on the bottom will have lines indicating recording and you can click and drag the bar to adjust the time being reviewed.
